### Investigator Unit shuts down another drug dealer

Just after a successful arrest on the 16<sup>th</sup> of Sept, Sheriff Investigators Make a second case on the 17<sup>th</sup> of Sept. This time deputies arrest a man and a woman selling marijuana and Lortabs from their residence in Chickasha.

Surveillance and information obtained by investigators on a previous drug bust led deputies to a residence. Investigators approached a man who after a short confrontation, consented to allow investigators to search his residence. Once inside investigators located scales, marijuana, Lortabs and a large amount of cash which was later determined to be proceeds from drug sales. The residence was also occupied by a female who was arrested later on similar charges.

“Our investigators are being swamped with new leads daily thanks to public support and our Hot Line Web tips. We will continue to follow up on every tip and lead in our effort to reduce the drug traffic in Grady County” said Sheriff Kell.
